PERSONAL

International Relations student at President University with a specialized focus on human rights and humanitarian action. Scholarship recipient with proven leadership as Vice Chairperson II at President University Serve Environment, where I developed strong capabilities in team coordination and organizational development. Multilingual communicator (Indonesian, English, and Sign Language) with hands-on humanitarian experience as a Indonesian Red Cross volunteer, contributing to first aid response and disaster relief operations. Committed to bridging policy analysis with grassroots humanitarian work to advance human dignity and social justice."
